

INCLUDED IN YOUR BENEFITS

A real laboratory panel not a finger-stick.

Metabolic, blood count, lipids and hormones — the same panel a clinician would order, run at a certified laboratory.

- Your results go to you and your clinician
- Your employer sees participation only, never a result
- Results in 2–5 business days

1

Collected here
On site or by post

2

Certified laboratory
CLIA-certified, off site

3

Results
2–5 business days
